Dear Charles,

You mentioned yesterday that the Prime Minister might wish to peruse, over the coming weekend, the terms of the United States/Soviet Treaties on Outer Space (1967), ABM Limitation (1972) and Strategic Arms Limitation<sup>1+11</sup> (1972), the latter two Agreements being those which emerged from the first series of Strategic Arms Limitation Talks (SALT I) which took place from November 1969 to May 1972.

I enclose the relevant texts. The text of each Agreement is preceded by a short commentary by the US Arms Control and Disarmament Agency (ACDA). The occasional under-linings, the work of an earlier hand, do not necessarily have any significance in the present context.

I am sending copies of this letter (without enclosures) for information to John Weston (FCO) and Nigel Nicholls (MoD).

Yours ever,

Bryan
