UNITED STATES/SOVIET SUMMIT

I enclose a copy of a message from President Reagan to the Prime Minister about his forthcoming meeting with Mr. Gorbachev, which we have received today. It is evidently a circular letter to all NATO Heads of Government. As you will see, the President invites advice and views. You are already working on a draft message from the Prime Minister. It would be helpful to have this in the course of next week.

I am copying this letter and enclosure to John Howe (Ministry of Defence) and to Trevor Woolley (Cabinet Office).
