THE PRIME MINISTER

Dear Mr. Richardson,

I am most grateful to you for showing me round the Commonwealth War Graves Cemetery during my visit to Istanbul. They are beautifully kept in the best tradition of the Commonwealth War Graves Commission and I found my visit a very moving experience. The behaviour of the accompanying photographers was appalling and I do hope they have not done any lasting damage.

Would you please also pass on my thanks to your devoted gardeners.

My husband joins me in sending you our best wishes.

Yours sincerely

Margaret Thatcher
