THE PRIME MINISTER

10 April 1988

*Dear Mr. Sabanci,*

Thank you very much for presenting me with the wonderful books on your collections together with the story of your family foundation. It was a most kind thought on your part and the books will provide great interest. I am sorry that we did not have a proper chance to talk but it was such a short visit and I had to compress so much into the time available.

I send best wishes to you and your brothers.

*Yours sincerely*
