10 DOWNING STREET

THE PRIME MINISTER

10 April 1988

*Dear Ambassador,*

May I say how very grateful I am for the excellent arrangements made for my visit to Turkey. I know how much hard work is involved in the preparation of these visits. But everything went impeccably and above all I enjoyed myself thoroughly - and there is no better way of judging the success of a visit! Please convey my gratitude to all your staff.

I hope that your visit to Kuwait was successful, despite the very difficult background of the hijack.

*Yours sincerely*

*Rajiv Gandhi*
