Re: Gorbachev Dinner

1. IF (unlikely) there is a vacancy
at the above I submit:

Mr. Robert STEVENS
Chairman, Golf International
162-168 Regent Street
London W.1R 5TB

2. Stevens is heading up a
£60 MILLION Joint Consortium
for a Joint Venture 250
bed Hotel plus 18 hole
Golf course in Moscow.

3. The deal is well advanced
and the Russians are very
keen and enthusiastic and
relations are excellent

4. I have no interest and
have only met Stevens twice.
It is obviously not high
priority but everything will
be British and a "piece"
at dinner could or might
help.

MR. GORBACHEV'S VISIT

Mr. Thatcher has asked whether it would be impossible to include a Mr. Robert Stevens, Chairman of Golf International, in any reception for Mr. Gorbachev during his visit. Mr. Stevens is apparently heading up a £60 million consortium for a joint venture 200-bed hotel plus golf course in Moscow. The Department might see whether he could be included on the list for the reception at the Mansion House.
