**MR. GORBACHEV'S VISIT: TRADE MATTERS**

Thank you for your letter of 31 March with some additional points for the Prime Minister's brief for her talk with Mr. Gorbachev. I have shown this to the Prime Minister who has commented that they are matters which seem more appropriate for Lord Young to raise with Mr. Kamentsev. She does not expect to have the time to take them up herself.

I am copying this letter to Richard Gozeny (Foreign and Commonwealth Office).
