

PRIME MINISTER

VISIT TO THE SOVIET UNION

I attach the briefs for your visit to the Soviet Union, prepared by the FCO. There will be further material next week, when we have the results of the US/Soviet Summit.

You will clearly need more detail on some points, particularly the position on conventional force reductions. I will obtain this early next week, and we can also get someone over from FCO and MOD to talk it through.

*C.P.*

CHARLES POWELL
